EDUCATION

University of Arkansas, Sam M. Walton College of Business

Expected Graduation: Dec. 2026

- Bachelor of Science in Supply Chain Management - Minor in Business Analytics

SKILLS

- **AI & Automation** – Prompt Engineering – AI-Assisted Development (Claude, GitHub Copilot, Replit Agent) – Agent Workflow Design
- **Supply Chain & Procurement** – Strategic Sourcing – ERP Systems (SAP, Microsoft Dynamics AX) – Spend Analytics
- **Data & Process Improvement** – Dashboarding & KPI Reporting (Excel, Power BI, Tableau) – Lean Six Sigma – Root Cause Analysis

EXPERIENCE

Purchasing Intern (Hood Container Corporation)

December 2025 - Present

- Support sourcing by comparing vendor quotes, analyzing lead times, and validating pricing against production requirements.
- Manage purchase order creation, updates, and tracking in SAP and Microsoft Dynamics AX to improve accuracy and material availability.
- Analyze purchasing, inventory, and supplier data to surface cost-saving opportunities and supply risks.
- Build dashboards and reports using AI-assisted workflows to enhance visibility into expenditure, material usage, and procurement KPIs.
- Streamline data workflows by identifying system inefficiencies, standardizing procurement data, and leveraging AI tools to reduce manual entry and improve forecasting accuracy.

Arkansas Supply Chain Association (University of Arkansas)

August 2025 - Present

- Leads operations by coordinating events, managing resources, and delegating tasks to ensure smooth execution across the organization.
- Partners with executive leadership and faculty advisors to plan meetings, create agendas, and track engagement to guide strategic decisions.
- Build and maintain corporate partnerships that secure sponsorships and expand student opportunities through internships, plant tours, and case competitions.

Razorbook Reach Ambassador (University of Arkansas)

January 2025 - May 2025

- Expanded literacy access by building community partnerships, coordinating volunteer teams, and managing 2,000+ donated books each semester for large-scale distribution events.
